Title: "Shell occupation and ectosymbionts of two hermit crab species in South Atlantic: a
comparative analysis

Dear Dr. Hendrickx Reners:

Thank you for your report regarding the above manuscript. We will inform you of the decisions
made regarding this manuscript.

We are grateful for your valuable contribution to the review process and hope that we may call
upon you again to review a revised version of this paper, if necessary.

With best wishes,
Ann Pulsford
